## A SPACE FOR EVERY FESTIVE CELEBRATION

### OUR ELEVATED AREA

**STANDING CAPACITY 100 | SEATED CAPACITY 70**

Located in front of our microbrewery with views across the venue. It is perfectly setup for seated dining, or an ideal space for a semi-private standing reception. This area is up a small set steps, giving the option to rope your area off and create exclusivity for your event. We have a big screen TV too - perfect for that end of year photo review!

### THE MEZZANINE

**STANDING CAPACITY 60 | SEATED CAPACITY 50**

The perfect place for an intimate and personalised event. We have got the flexibility to offer the whole mezzanine level or split it into two sections. Our mezzanine has the view of the whole venue too so you can enjoy the atmosphere away from the Bar (with options to have drinks delivered to your Table).

### UNDER THE MEZZ

**STANDING CAPACITY 30 | SEATED CAPACITY 30**

Located at the back of the venue we've got our 'under mezz' area tucked away, giving you a semi-private space. It is next to our secondary entrance and the door to our outside area which is ideal to step out for some fresh air, or to add a section of outside tables for your group. Perfect for a Christmas dinner with family or friends.
